

# Veteran Enterprise Contracting for Transformation and Operational Readiness

A Multiple Award IDIQ for Professional Services

## What is VECTOR?

VECTOR is a collaboration between the VA Strategic Acquisition Center - Frederick (SAC-F) and an industry coalition of VECTOR SDVOSB prime awardees.

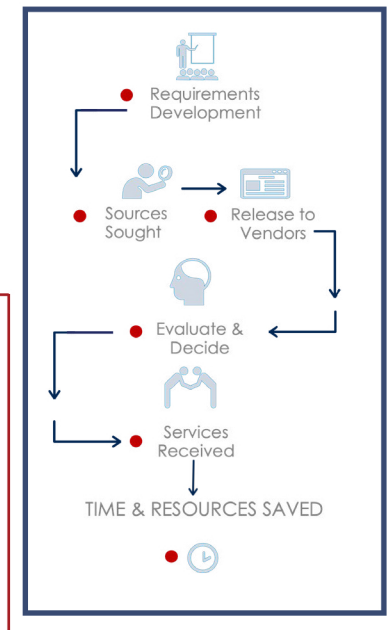

VECTOR works in conjunction with VA program offices to provide vendor-neutral information on the features and benefits of the VECTOR IDIQ acquisition vehicle.

- ✓ Vector is available “VA-wide” to all Administrations, Offices and Programs
- ✓ 54 prime SDVOSB contractors to provide professional services in:
  - Six (6) Services Groups (SGs)
  - 30 Task Areas
  - More than 150 Labor Categories (LCATs)
- ✓ Ten Year Ordering Period (2018-2028)
- ✓ \$25B Ceiling
- ✓ Satisfies the “Rule of Two” with 54 SDVOSB primes
- ✓ Lowers risks and costs to your procurements
- ✓ Dedicated IDIQ support from SAC-F

## VECTOR Streamlines Acquisition

Use VECTOR procurement authority to speed acquisition for support and results.

## VA VECTOR IDIQ

Enterprise capabilities across development, deployment, implementation, operations, maintenance and sustainment are available in six (6) Service Groups and 30 Task Areas.

SG1 Management & Improvement	SG2 Analyses	SG3 Training
SG4 Outreach	SG5 Supply Chain	SG6 Human Resources & Staffing

**There are no limits to VECTOR meeting your Professional Support Services needs!**
